PK-12 PROGRAMS

Each year, wildly enthusiastic students — from PK through 12th grade — fill our theatre for free matinee performances by artists from all over the world. They explore our visual arts galleries during school tours and create and learn during hands-on workshops with artists. For many students, visiting the Center for the Arts is the first time they've ever been to a performing arts facility or gallery. Why do young people need access to the arts? Engaging in artistic activities offers a wide range of skills that they will use throughout their lives.

Learn more at bit.ly/artscenteratvt-pk12.

Shaping Stories. Sparking Imagination.

Thanks to donor support, young people experience the transformative power of the arts through free programs like hands-on workshops, gallery tours, and special school-day matinee performances by professional touring artists. Open to public, private, and homeschool students, these opportunities spark creativity and connection.

One highlight was *Mapping My Story*, a collaborative art project for PK-5 students from across the region. Inspired by exhibiting artist Shaunté Gates, young artists used collage and drawing to explore how places — homes, parks, schools, and more — shape their feelings and memories. Their colorful, textured creations were displayed in the Center for the Arts Grand Lobby this spring for all to enjoy.

Your gift makes these moments possible. Whether through an endowed fund or a contribution of any size, your support leaves a lasting impact.
